MUSIC DIPS

"Dear guests, we close in fifteen minutes."

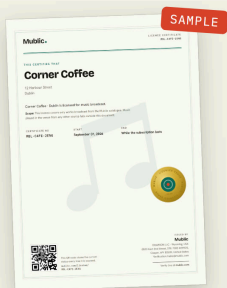

NIGHT

Listen to the music

VERIFIABLE LICENCE

The licence is in
the price. **Verifiable**
at any inspection.

m²

No floor-area limit.

Music licences are often priced by floor area. At Mublic the price depends on the **number of zones**, not the size of your venue.

A licence certificate for every venue

Its licence QR code shows an inspector the certificate's live status.

Produced by Mublic

No licensed or chart music in the catalogue. Not registered with any collecting society.

ZONES

A venue is not one piece of music.

Hotel lobby

65 → 105 BPM · by the clock

Calm in the morning, lively at night.

Gym · weights floor

120–128 BPM · fixed

The same tight tempo all day.

Yoga studio

instructor's choice

From their own phone, with a PIN.

Café terrace

separate from inside · 95 BPM

Same venue, same moment, two moods.

The mood follows the clock.

A schedule made for your sector comes ready;
change it by hand whenever you like.

MORNING

DAYTIME

EVENING

NIGHT

Announce your offers from inside the music.

You write the text, we voice it. The music dips gently, the announcement is heard, the music comes back.

12:00

"Our lunch menu is ready: soup and a main course at one price today."

EVERY DAY • INSIDE + TERRACE

every 20
min

"Remember to scan your store card at the till."

DURING THE CAMPAIGN

21:45

"We close in fifteen minutes."

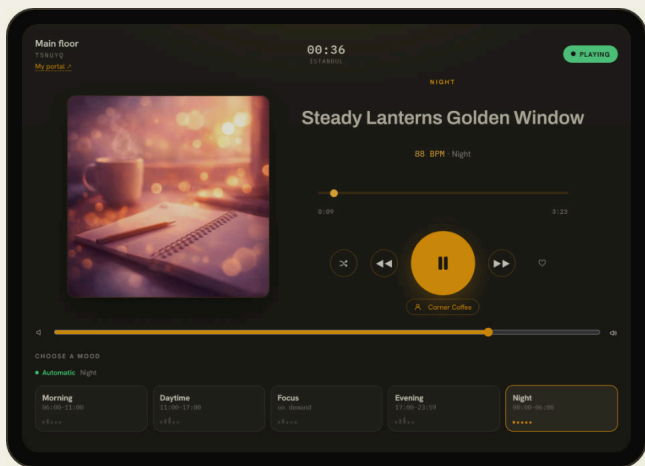

EVERY DAY • ALL ZONES

At a set time, every X minutes or every X tracks.

2,000 characters of voice-over a month are included; your own recordings and ready-made announcements do not count against it.

PLAYER

No installation. No boxes.

It plays when the internet stops.

Every player downloads half an hour of music in advance.

Tablet, computer or phone.

No app to install.
